

**The Global
Master Franchise Forum**
Venice, Italy
23rd and 24th March 2012

“Passport Through Europe”

Access to master franchise partners in more than twenty European Countries

Would you like Europe’s leading franchise consultants and brokers working to find you master franchise partners in more than twenty countries across Europe? Then you need to be at The Global Master Franchise Forum, Venice..

This international event organised by Franchise Pool International (FPI) enables you to present your master franchise concept to the FPI members who will represent you in their countries. It is the single most efficient way to get your concept represented across Europe and meet the people that will do that for you. The event also aims to educate, providing you with real insight into the cultural and legal aspects of franchising in each European market that will help you prepare your offering for success.

Presentation slots are limited to twenty brands, so contact us now for more information.

Why Use Franchise Pool International?

FPI is the network of leading franchise consultants and brokers covering more than twenty countries across Europe. Working with FPI is THE most efficient way for you to find master franchise partners across Europe. Working with your local FPI member gives you access to the only Pan-European group of franchise advisors. For you this means;

- A single, trusted point of contact
- Access to Europe’s biggest network of franchise contacts
- Access to the combined marketing reach of the group
- Increased efficiency and cost savings for your international marketing programme

Save yourself the time and effort of developing new, untried business relationships across Europe by using your local FPI member and gain access to Europe’s top franchise consultants.
